A TRIUMPH OF STYLE.

Find everything you need to create the fireplace that suits your style.

Style Shows Its Face to the World

Five distinct faces in two sizes are available, including a Square Contemporary Face, Contemporary Arched Door, Contemporary Rectangular Door, Glass Trim or Floating Face. Match these with a choice of up to three beautiful exterior colors* for the fireplace that says YOU like no other.

You can keep the style glowing, even when your Triumph insert is not lit, with an illumination kit that makes your room dazzle any time and in any season.

Style Glows from Within

Choose from a traditional log set with Cottage Red or Tavern Brown 3D brick liner, or contemporary Black porcelain panels accented with stone and fireglass in your unique blend of four colors to cast a captivating, iridescent glow across the room.

A TRIUMPH OF PERFORMANCE.

Style Can Be Green

One of the great advantages of this fireplace insert is that it can convert an old, inefficient fireplace into a much more energy-efficient, zone-heating source. With up to 40,000 BTUs of heat-warming energy, you'll add warmth and subtract heating costs.

Style Can Be Smart

Now you can enjoy the perfect fire at the touch of a button, thanks to our exclusive Total Signature Command® System with touch screen remote. Features like a 30-ft. operating distance and a 3-step variable flame height give you the power to create the perfect ambience from the comfort of your couch, or even the next room. Maintain your desired temperature and circulate heat throughout the room for maximum efficiency with the Smart Mode® thermostat and standard dual blowers. And even if you experience a power outage, you can count on your fireplace to keep your room toasty warm with automatic battery back-up.
