

# VICTORY

DIRECT VENT GAS INSERT

{STYLE RISING}

IT'S ALL IN THE  
*Finishing Touch*

With the finest craftsmanship applied by skilled artisans, our Rustic Arched and Rectangular Doors feature unique details for a truly one-of-a-kind look. The Distressed Buffed Pewter and Distressed Black Copper finishes add artful touches that make a statement in any room.

# YOUR STYLE IS OUR VICTORY

At Vermont Castings, we're elevating our iconic style to inspiring heights with the Victory insert, featuring **six decorative faces** and **six rich colors** bursting with signature style. From sleek contemporary lines to handcrafted, rustic details, you're sure to find the look you've been searching for to update your existing fireplace. On the inside, two new Vermont Castings brick liners add old world charm, while the black porcelain liner and contemporary glass options keep it chic and sophisticated. And, with increased efficiency and energy savings, no matter which style you choose, Victory delivers a winning combination every time.

## EVERY VICTORY INSERT OFFERS:

### { BEAUTIFUL VIEW }

It's easy to admire the full, dancing flames through the nearly invisible ClearView glass front. The no glare, non-reflective ceramic glass provides a beautiful view of the fire from any angle.

### { AMBIANCE ANY TIME }

For ambiance without as much heat, the rear burner shut down feature reduces the flame, so you can still enjoy the beauty of the fire on milder evenings.

### { ENERGY EFFICIENCY }

With a steady state efficiency of 88%, this insert drastically improves the efficiency of your masonry fireplace. You'll increase warmth and energy while using less fuel and saving money on heating costs.

### { REAR BURNER SHUT DOWN }

Reduces input rate by 50% allowing for ambiance without heat on milder evenings.

### { INTUITIVE TECHNOLOGY }

Our exclusive Total Signature Command™ System provides the ultimate in control with intuitive technology at your fingertips. Featuring a touch screen remote, you can turn the fireplace on and off or adjust the 3-step flame height right from the comfort of your couch. Plus, the exclusive Smart Mode® thermostat automatically maintains the desired temperature to help increase efficiency. And, with automatic battery back-up, you can be assured of continuous operation even if the power goes out. Learn more about the Total Signature Command™ System on the back cover!

## DISCOVER THE CONVENIENCE OF EXCLUSIVE TOTAL SIGNATURE COMMAND™ TECHNOLOGY

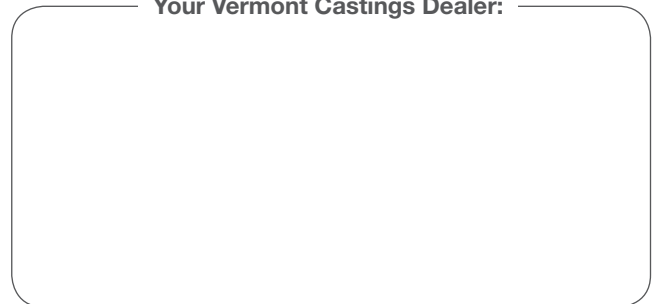

A technologically advanced and energy-efficient fireplace control system! An A/C adaptor is included; however, unlike competing control systems, this system operates even when no power is available, making it more convenient than ever to enjoy the fire.

### Featuring:

- Smart Mode® thermostat for enhanced energy efficiency
- TSFSC Full Function Touch Screen remote control
- A/C accessory model offers an auxiliary connection to control a household light or more with the remote
- ON/OFF 3-step variable flame height adjustment
- Automatic, uninterrupted battery backup
- Pilot selection option
- Memory shut off remembers your favorite setting
- Three-step light dimming function
- Variable three-speed blower
