

Sundance Vent Free Gas Stove

GRACE UNDER FIRE

SUNDANCE

The Sundance vent free cast gas stove is the perfect way to add efficient, abundant heat to nearly any space. Convenient size, minimal clearances and no venting requirements make it a breeze to install and a standing pilot means never fearing another winter power outage.

Defined by style, with castings handmade in the U.S., the Sundance's timeless appeal, beautiful black cast finish and robust, lively burn will make it a stove you'll be proud to own.

- Convenient medium size
- 28,000 BTUs
- Timeless cast iron style
- Durable cast iron firebox
- Operable doors
- Glowing ember bed and lively burn provides lifelike realism
- 99.9% efficiency maximizes your fuel dollars
- Standing pilot means you'll never have to fear a winter power outage again
