

Monessen Vent Free Gas Logs

BEAUTIFUL, EFFICIENT, HEAT

New from the leader in vent free technology, the Kentucky Wildwood log set series.

Monessen vent free logs make it easy to add warmth and beauty to your home, all in a 99.9% efficient log set. Featuring a beautiful log stack, glowing ember bed and dancing flames, the Kentucky Wildwood log set combined with the Natural Blaze burner adds instant heat and ambience to any space. Installation is a breeze because no venting is required and you'll have heat even during a power outage. With up to 37,000 BTUs, optional remote, and available in 3 sizes and natural or propane gas, a Monessen Kentucky Wildwood vent free log set is the gold standard in energy efficient heat. Also available in Signature Command® (IPI) control.

We recommend installing this log set in a Monessen firebox. Talk with your dealer about your options!

Kentucky Wildwood log Set shown in a GRUF vent free firebox
