

HARMONY

Direct Vent Gas Inserts

In perfect tune with your style.

Lookin' Good

At Monessen, we know that “style” isn’t just about great looks. It’s a statement about the way you live your life. That’s why we’ve created the Harmony direct vent gas insert. With five different facing choices and a variety of interior options, Harmony direct vent gas inserts have the style part covered. Plus, an insert increases heating efficiency, which helps save energy and lower fuel costs. If you want to upgrade your masonry fireplace with a punch of style or simply live greener, look no further than the Harmony by Monessen.

In perfect tune with your style.

SMART THINKING

Our Exclusive Total Signature Command® System provides intuitive technology that makes it super convenient to enjoy the fire. The included touch screen remote allows you to turn the fire on and off, or adjust the 3-step flame height right from the comfort of your couch. The exclusive Smart Mode® thermostat automatically maintains the desired temperature to help increase efficiency. And, with automatic battery back-up, you can be assured of fireplace operation even if the power goes out.

Learn more about Total Signature Command™ on the back cover!

LIVING GREEN

Boasting an efficiency rate of 84%, this insert delivers when it comes to efficient performance. With up to 40,000 BTUs of heat-warming energy, you'll increase warmth and energy while using less fuel and saving money on heating costs.

LET'S TALK STYLE...

The Harmony offers great style options, inside and out. Find the combination that best speaks to your style and create the look that's right for you.

CHOOSE YOUR INTERIOR STYLE
