Design Your Fireplace

Find Your Fireplace at fireplaces.com

RESEARCH YOUR OPTIONS, GET DESIGN IDEAS AND MORE.

This website is *the* place for all the tools and information you need to select a fireplace for your home. See back for a quick look at what you can do on fireplaces.com.

1

FIND IDEAS AND INSPIRATION

1. Idea Gallery — View hundreds of fireplace images, filter them by your selection criteria and save your favorites. [Go to Inspiration > Idea Gallery](#)

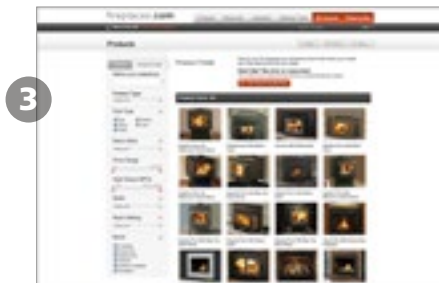

2

2. Before & After — See what a difference a fireplace can make with these home makeover photos. [Go to Inspiration > Before & After](#)

RESEARCH

3. Product Finder — Browse fireplaces and filter the listing to show only the models that match your criteria. [Go to Selection Tools > Product Finder](#)

3

4. Shopping Tools — Learn more about fireplace technology. You'll also find a pre-shopping checklist and more in this section. [Go to Resources > Shopping Tools](#)

PLAN

5. My Hearth Planner — Answer a series of interactive questions to narrow down the ideal hearth for your home. [Go to Selection Tools > My Hearth Planner](#)

4

CONFIGURE YOUR FIREPLACE

6. Design & Price Tool — Define your needs, customize your selection and find the suggested retail price. You can also export, print and/or email your selection to review with your remodeler, builder or local hearth provider. [Go to Inspiration > Design & Price](#)

5

CREATE AN ACCOUNT

Setting up an account lets you save your project information, idea galleries and selections for future reference, then share this information with your remodeler, builder or local hearth provider.

HERE TO SUPPORT YOU

We're always available to answer your fireplace questions.

6

Visit the showroom of our local hearth provider, where experts will help you make your final fireplace selection.
