

Firescreen, Mission Full View, Forged Arch Decorative Fronts Models: QFI30FB-IFT, QFI35FB-IFT - Installation Instructions -

Leave this manual with party responsible for use and operation.

CAUTION! Risk of Cuts, Abrasions or Flying Debris.
Wear protective gloves and safety glasses during installation. Sheet metal edges are sharp.

DANGER

**HOT GLASS WILL
CAUSE BURNS.**

**DO NOT TOUCH GLASS
UNTIL COOLED.**

**NEVER ALLOW CHILDREN
TO TOUCH GLASS.**

A barrier designed to reduce the risk of burns from the hot viewing glass is provided with this appliance and shall be installed for the protection of children and other at-risk individuals.

- CAREFULLY SUPERVISE children in same room as fireplace.
- Alert children and adults to hazards of high temperatures.

High temperatures may ignite clothing or other flammable materials.

- Keep clothing, furniture, draperies and other flammable materials away.
- Do NOT operate with protective barriers open or removed.

INTRODUCTION

The surround is used to fill the space between the insert and the solid fuel firebox opening. The front is placed onto the surround after it is attached to the insert.

WARNING! Risk of Fire! Combustible materials MUST NOT overlap or be placed under a surround.

Combustible Materials Specification

Materials made of or surfaced with wood, compressed paper, plant fibers, plastics, or other material that can ignite and burn, whether flame proofed or not, or plastered or unplastered shall be considered combustible materials.

CAUTION! Do not install damaged components.

SURROUND INSTALLATION

1. The surround is shipped with the brackets attached for shipping purposes. Remove the surround brackets from the surround by removing two screws on each bracket.
2. Mount the left and right surround brackets onto the appliance with four screws. See Figure 1.
3. Mount the surround to the surround brackets with four screws. See Figure 1.
4. Attach the surround vanity panel with four 10-24 x 3/4 Phillips pan head screws if it was removed during surround installation or appliance set up. See Figure 2.
5. Once the surround is attached, slide the appliance backward until the surround is tight to the existing non-combustible finished wall.

Cleaning Instructions for Decorative Fronts

Use a microfiber cloth and Windex® Original Glass Cleaner or 03M003 Stove Bright® Glass Cleaner to clean the decorative front immediately after installation to remove acids deposited by the installer or technician. Spray the cleaner onto the microfiber cloth and carefully wipe the entire surface. The decorative front should be cleaned in this manner annually by the homeowner to remove fingerprints or other contaminants. Once oxidation of the paint pigment has occurred, cleaning will not restore the original color.
