Specifications

**APPLIANCE LOCATION**

Note: If this surface is inside the building’s warm air envelope, then this surface must be an exterior wall system.

**MANTEL PROJECTIONS**

Note: All measurements are in inches.

**MANTEL LEG/WALL PROJECTIONS**

**FRAMING DIMENSIONS**

**CLEARANCES TO COMBUSTIBLES**

*Non-combustible material (cement board) required from bottom of appliance opening to ceiling.

**Stand-Alone Installation**

This appliance may be installed as a stand-alone unit.

- Cement board or other non-combustible material can be applied directly to the metal and covered with non-combustible facing material.
- When the stand-alone surround is constructed completely of non-combustible materials, stand-offs may be removed to permit a smaller structure.
- See Install Manual for additional details.
