

# Decorative Termination Caps

For Hearth Systems

A finishing touch to  
enhance your  
curb appeal.

HEARTH & HOME  
technologies™

## The Finishing Touch

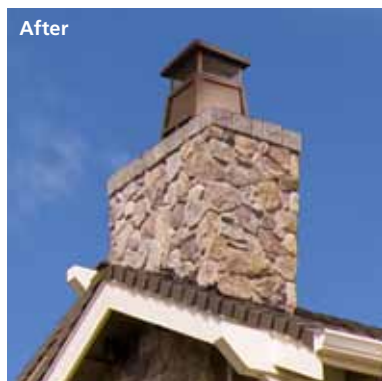

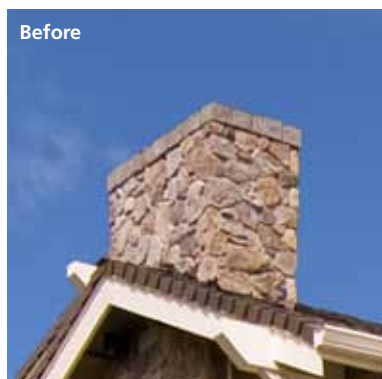

Highly desired by semi-custom and custom builders and demanded by homeowners, decorative caps add a finishing touch to any chimney. Our new caps feature the rich look of a faux-copper and offer functional benefits as well, keeping out the elements and improving the draft.

Available in two size options and two attractive styles, these decorative caps will match any exterior design and instantly enhance curb appeal.

- UL listed for SL300 series, SL1100 series, and Dura-Chimney II when using CT-3A, CT-11A and CT-14A adapters
- UL listed as a decorative shroud for DVP and SLP pipe
- Durable faux-copper powder coat finish with UV protection
- Simple leveling base system
- Easy removable chimney top to clean chimney
