

The Harman FireLuxe Gas Stove

The FireLuxe gives inspiring edge
to traditional gas stoves.

The Harman FireLuxe Gas Stove

Luxury united with Functionality.

For those that desire true luxury, we present the Harman FireLuxe cast iron gas stove. Its exuberant flames dance beautifully as the FireLuxe heats your home with the touch of a button. Take a closer look, and notice the amazing cast iron designs that are nothing less than impressive. At Harman, we like to take our innovation a step further and the award-winning FireLuxe is no exception. The first of its kind to have a cooktop burner, this unique stove proves to be as versatile as it is breathtaking. Other convenient features such as electronic ignition remote control make the FireLuxe most luxurious way to heat your home.

The FireLuxe allows you to cook your favorite dish or simply make tea.
