Our innovative products make it easy to extend your living into the outdoors. Think of it as adding a new room to your home—an outdoor living room. See how Outdoor Lifestyles by Hearth & Home Technologies can transform your outdoor space.
LANAI OUTDOOR GAS FIREPLACE

Light up your landscape with our best and brightest, the Lanai linear outdoor gas fireplace. The night comes alive with glowing flames and a colorful crushed glass firebed reflected in stainless steel as you create a contemporary vibe to your outdoor space.

- Modern linear design in 48”, 60” and stunning 48” double-sided models
- LED lighting in eight colors (choose one or cycle) and three intensity levels
- Stainless-steel interior to reflect and magnify the flames
- Durable with rust-resistant, stainless-steel construction
- IntelliFire® ignition system with wall control constantly monitors ignition and ensures safe functioning
- Weatherproof wall control to run your fireplace and change LED colors
- No chimney or venting needed, blends anywhere into your space
- Glass wind guard to keep flame pattern steady and strong

Optional features

- Add a layer of safety with an optional screen to protect and prevent debris from entering the fireplace
- Add optional ceramic stone or driftwood logs for a touch of customization
- Ensure even longer life with a drain pan that moves moisture away from the fireplace

Vesper OUTDOOR GAS FIREPLACE

The Vesper vent-free outdoor gas fireplace expands your living area as you warm up your outdoor space in style. With stainless-steel construction, it’s durable to handle the elements.

You get a big view of the flames with an opening 27 inches tall and 36 or 42 inches wide. Pick from three unique log sets accented by a traditional or herringbone brick interior to create your own look.

• 36” or 42” wide viewing area
• Brick-to-brick opening for true masonry appearance
• Vent-free design to place it almost anywhere
• Interior panels in traditional and herringbone brick
• Choice of three log designs to fit your style

Optional feature
• Stainless-steel operable mesh doors keep out debris

The VillaWood is a wood-burning fireplace at home in a variety of outdoor spaces. Upgrade your outdoor kitchen, or enhance your living area with style and warmth. Add the Villa Wood outdoor fireplace to your deck or patio and enjoy the experience of a wood fire.

- Choose from traditional or herringbone brick interior for an authentic masonry look
- Steel grate and stainless steel mesh curtain screens built to look great for years
- 36" or 42" wide fireplace adds enjoyment to your space

**Optional features**
- Bi-fold glass doors with stainless steel finish
- Outdoor Fireside Realwood gas log set for the added convenience of gas
Gather with family and friends around the crackle and aroma of a blazing fire as you take the chill off evenings and extend the outdoor season. The Cottagewood outdoor wood-burning fireplace is weather-proof for long life, while brick-like interior panels help create a nostalgic vibe. The night comes alive as you stoke a fire, kick back and toast marshmallows. Cozy up around a classic wood burner that’s low on upkeep but high on good looks—setting the mood where the best moments begin.

- 36” or 42” wide openings
- Tuckaway stainless-steel screens for open view of flames or to keep sparks in
- Easy damper control for airflow/smoke control on enclosed patios
- Safe on a wood or composite deck with a 20” protective hearth apron
- Mineral Gray traditional or herringbone brick interior panels
- Black painted grate keeps logs in place and burns more efficiently
- Place freestanding or next to an exterior wall

COTTAGEWOOD OUTDOOR WOOD FIREPLACE
CASTLEWOOD
OUTDOOR WOOD FIREPLACE

The Castlewood turns any outdoor area into a welcoming and relaxing living space. A large, high opening provides a dramatic view from across the yard, and a textured brick interior offers masonry-style looks at a fraction of the cost. Enjoy the experience of a large wood fire with the Castlewood.

• Expansive 38” high firebox opening
• Choose from traditional or herringbone brick interior for an authentic masonry look
• Black steel grate and stainless steel mesh curtain screens built to look great for years
• 42” wide fireplace adds enjoyment to your space

Optional features
• Outdoor Fireside Grand Oak log set for the added convenience of gas
• Premium bi-fold glass doors with a bronze finish
The SimpliFire Forum outdoor electric fireplace is the easiest way to turn your patio or deck into a go-to oasis. Designed for outdoors and with the flexibility to place it anywhere, the Forum expands your livable area with freedom from propane tanks, gas lines or wood.

**Feature**
- Big presence in 43” and 55” linear sizes
- Durable to withstand the elements
- Clean look with finishing materials to the edge or framed with included overlap front
- Four flame and 13 ember-bed colors to fit your mood
- Pick the look you want, from clear crystals or driftwood logs with glowing embers
- No heat allows you to safely place a TV or artwork directly above the fireplace
- Easy remote control

**Included media**
- Clear crystals
- Driftwood logs

**Optional ShadowGlo™ log sets**
- Alpine Timber logs
- Natural Birch logs
