The Palazzo is a new kind of outdoor fireplace. This innovative fire feature resists the harshest elements with tough marine grade stainless steel. Advanced safety technologies are seamlessly integrated. The Palazzo Power Screen provides protection at the press of a button. Combined, these features create a contemporary focal point that will maintain its luster and add value to your home for years to come.

- The industry-first Power Screen ensures safety, moving up and down at the press of a button to protect and prevent debris from entering the fireplace
- Multicolored LED lights shine through the crushed glass firebed and can even be used when the fireplace is off
- Stainless steel interior reflects and magnifies flames
- Rust-resistant, marine grade stainless steel construction maintains its luster for years to come
- IntelliFire™ Ignition System with wall control constantly monitors ignition and ensures safe functioning
- No chimney or venting required, blending your fireplace effortlessly into your outdoor space
- 48” wide fireplace adds enjoyment to your space
- Available in a single-sided or see-through model
Light up your landscape. The Lanai linear gas fireplace offers contemporary style. Feel confident enjoying the flames with proven technologies. The night comes alive with glowing flames and a colorful firebed.

The Courtyard outdoor gas fireplace is the perfect blend of artistry and function: traditional styling with ultra-realistic logs or contemporary glass, that ignite at the flip of a switch. Mesmerizing flames provide instant ambiance and relaxation. Cozy up with the Courtyard.

- Choose from multiple interior options including stainless steel to magnify the flames, traditional brick for a traditional look or premium stacked or herringbone brick for a unique look in neutral tones for your space
- Rust-resistant stainless steel construction
- IntelliFire ignition system with wall switch constantly monitors ignition and ensures safe functioning
- Available in 36” or 42” widths

Optional feature
- Framed Mesh Barrier
VILLA GAS
OUTDOOR GAS FIREPLACE

The Villa Gas is a versatile outdoor gas fireplace at a value price. This compact unit can easily be installed on decks or patios. A stainless steel surround thrives in the elements and complements an outdoor kitchen or space. Extend your living into the outdoors. Experience the Villa Gas fireplace.

- Stainless steel safety screen keeps debris out of the fireplace
- No chimney or venting required, blending your fireplace effortlessly into your outdoor space
- Safety pilot ignition system automatically turns off gas supply if flame is extinguished
- 36” or 42” wide fireplace adds enjoyment to your space

Optional feature
- Stainless steel operable mesh doors
The Castlewood turns any outdoor area into a welcoming and relaxing living space. A large, high opening provides a dramatic view from across the yard, and a textured brick interior offers masonry-style looks at a fraction of the cost. Enjoy the experience of a large wood fire with the Castlewood.

- Expansive 38” high firebox opening
- Choose from traditional or herringbone brick interior for an authentic masonry look
- Stainless steel grate and firescreen built to look great for years
- 42” wide fireplace adds enjoyment to your space

**Optional features**
- Outdoor Fireside Grand Oak log set for the added convenience of gas
- Premium bi-fold glass doors with a bronze finish

**CASTLEWOOD OUTDOOR WOOD FIREPLACE**

CASTLEWOOD shown above with standard stainless steel mesh, traditional molded brick interior and outdoor Fireside Grand Oak gas log set
The Villa Wood is a wood-burning fireplace at home in a variety of outdoor spaces. Upgrade your outdoor kitchen, or enhance your living area with style and warmth. Add the Villa Wood outdoor fireplace to your deck or patio and enjoy the experience of a wood fire.

- Choose from traditional or herringbone brick interior for an authentic masonry look
- Steel grate and firescreen built to look great for years
- 36” or 42” wide fireplace adds enjoyment to your space

Optional features
- Bi-fold glass doors with stainless steel finish
- Outdoor Fireside Realwood gas log set for the added convenience of gas
MONTANA
OUTDOOR WOOD FIREPLACE

The Montana is the original outdoor fireplace that started it all. It’s built to maintain its sleek stainless look for years and deliver solid performance. Enhance your outdoor area with this impressive focal point.

- Durable stainless steel construction tested to defy the elements
- Patented drain channels to minimize weather effects
- Choose from traditional or herringbone brick interior for an authentic masonry look
- Stainless steel grate and firescreen built to look great for years
- 36” or 42” wide fireplace adds enjoyment to your space

Optional features

- Bi-fold glass doors
- Outdoor Fireside Realwood gas log set for the added convenience of gas
The Longmire offers fireplace sights, sounds and smells you love in a linear shape. Sleek hideaway glass and screen doors reveal a roaring fire, drawing family and friends together.

- Durable stainless steel construction tested to defy the elements
- Slide the glass and screen doors up and out of sight using a removable handle
- Routine maintenance is simple with a drawbridge grate and hinged glass door
- Burn up to 30” logs for more ambiance
- 42” wide fireplace adds enjoyment to your space
