Termination Caps
For Gas & Wood Hearth Systems

A finishing touch
to enhance your
curb appeal.
The Finishing Touch

Termination caps are a critical component to complete any hearth system. These durable caps are UL-listed—proven effective to protect venting components and ensure safe exhaust flow.

Decorative termination shrouds deliver enhanced style and safety for fireplaces, stoves and inserts. A variety of sizes and designs are available, providing a way to accent or disguise any venting system.

The finishing touch to distinguish your home

Don’t overlook the finishing touch on a fireplace, stove or insert. Curb appeal is the #2 most important community feature homebuyers look for when choosing their new home.

Distinguish your home from the rest of the block. Termination caps and decorative shroud options are available for gas and wood products. Select a cap or shroud to define your style.
