MEZZO
DIRECT VENT GAS FIREPLACE

Available IntelliFire® app and voice control
MEZZO

You’ve never experienced modern design like this. Clean. Discreet. Luxurious. We spared nothing, to give you everything. It’s modern design, redefined.

DETAILS MATTER
In clean modern design, it’s all about the details. No gaps. Clean finishing. And quality. Every corner, every edge and every element of the MEZZO is all about perfection.

ELEVATE THE SENSES
Flames, lights, reflections and warmth combine to stimulate the senses. Flames spread across an illuminated bed of crushed glass. And a black glass interior adds depth and intensity to the fire. We dare you to take your eyes off of it.

DEFINE YOUR DESIGN
Your style, is yours. Express it by mixing and matching fronts, finishes and interior options to create a MEZZO uniquely yours.

MEZZO 36 using Passive Heat kit, shown with clean face trim in stainless steel and crystal glass media with driftwood logs and river rock stones.
MEZZO 60 shown with clean face trim in black and ebony glass media.
MODELS AVAILABLE
Choose a model to fit your space and application.

FRONT OPTIONS

**QUATTRO**
An elegant four-piece design softly framing the view of the fire. Available in black or new bronze.

**CLEAN FACE TRIM**
A low-profile trim for a minimalist look. Also pairs well with custom wall treatments like stone or tile. Available in black, new bronze or stainless steel.

**LOFT FORGE**
Hand-forged metal with riveted accents for an industrial aesthetic. At home in a rustic cabin or modern loft. Available in hammered steel only.

INTERIOR OPTIONS

CRYSTAL GLASS  EBONY GLASS  AMBER GLASS  COBALT GLASS  SCARLET GLASS  ICED FOG GLASS  NATURAL LOGS  DRIFTWOOD LOGS  RIVER ROCK STONES

1: Not available for 72-inch model 2: Quattro Front available in black and new bronze only. Loft Forge front available in hammered steel only. 3: Requires glass media
MEZZO 48 See-Through using Passive Heat kit, shown with loft forge front, natural logs and iced fog media.
DIRECT VENT TECHNOLOGY
Direct Vent fireplaces remove 100% of combustion exhaust and odors outside of the home. These sealed fireplaces provide optimal heat, conserve energy and ensure clean, safe indoor air quality.

MEZZO TECHNOLOGIES

INTELLIFIRE TOUCH® IGNITION SYSTEM
IntelliFire Touch is our most advanced intermittent-pilot ignition (IPI) system, making operating your appliance simple, smart and safe. Select the IntelliFire app, touch-screen remote control or wireless wall switch for the solution that fits your lifestyle.

DIRECT VENT TECHNOLOGY
Direct Vent fireplaces remove 100% of combustion exhaust and odors outside of the home. These sealed fireplaces provide optimal heat, conserve energy and ensure clean, safe indoor air quality.

HEAT MANAGEMENT SOLUTIONS
Bring the warmth from your fireplace to the rest of your home, up to 20 feet away. Heat management solutions can redirect up to 50% of the heat to another area, and reduce wall temperatures above the fireplace. Choose between:

• HEAT-ZONE® KIT to transfer heat where you want it
• HEAT-OUT® KIT to redirect heat from the fireplace outside the home
• PASSIVE HEAT KIT allows heat to naturally rise and disperse at ceiling height without the use of a fan. This enables a TV or heat sensitive materials to be placed just 12” above fireplace opening without a mantel. Choose side, front or open wall register.

TOUCHSCREEN REMOTE
Features: on/off, flame height adjustment, fan speed, lights adjustment, thermostat mode, room temperature readout, child lock, timer mode, battery backup, cold climate mode, power vent, wall docking station (fan, lights and power vent are dependent on your fireplace).

WIRELESS WALL SWITCH
Features: on/off, battery strength indicator, cold climate mode

CLEAR LED LIGHTING TECHNOLOGY
Superior performance and extended efficiency. This technology provides high-contrast, brilliant lighting to accentuate the flames. Can be used as mood lighting, with or without the flames.

FADE-RESISTANT BLACK GLASS INTERIOR
A clean modern look never gets dull. Just like this black glass interior. It’s hot. And looks that way, too. For the life of your MEZZO.

CONTROLS

INTELLIFIRE® APP
All the features of a remote control with an app installed on your smart device. Monitor your fire from anywhere or even control it with the sound of your voice. IntelliFire is compatible with voice assistants Amazon Alexa and Google Assistant.

TOUCHSCREEN REMOTE

Dimensions are in inches and millimeters. Product information is not complete and is subject to change without notice. Product installation must strictly adhere to instructions shipped with product. We recommend measuring individual units at installation. Assumes the use of 1/2" sheetrock. NOTE: Combustible material should not cover the face. Make sure you do NOT cover the decorative door opening.

Refer to installation manual for detailed specifications on installing this product. Hearth & Home Technologies® reserves the right to update units periodically. The flame and ember appearance may vary based on the type of fuel burned and the venting configuration used. Actual product appearance, including flame, may differ from product images.

EnerGuide (CSA P.4.1-15) - EnerGuide is a rating used in Canada to measure annual fireplace efficiency.
