Reveal

B-Vent Gas Fireplace

Recreate the timelessness of a wood-burning fire with the open-hearth Reveal gas fireplace. Full, generous flames rise through a detailed log set, while a 3-layered burner adds intensity and depth. A clean face finish and textured brick interiors provide traditional masonry style. Make it your own and anchor your space with distinct finishing options.

**Above and on cover:** Reveal shown with bi-fold doors, steel gray marble and Roxborough mantel

## Limited Lifetime Warranty<sup>1</sup>

The strongest in the industry, Heatilator provides a limited lifetime warranty on the most important aspects: firebox and heat exchanger.

<sup>1</sup> For full warranty details go to [heatilator.com](http://heatilator.com).

The information provided in this literature is for planning purposes only and subject to change. Please consult the installation manual for actual installation. Actual product appearance may differ from product images.

Fireplace glass and other surfaces get extremely HOT and can cause severe burns if touched. Do not remove the protective safety screen from the front of the glass. Keep a safe distance away. To learn more visit [www.heatilator.com/fireplacesafety](http://www.heatilator.com/fireplacesafety).
