Novus Series

#1 **best-selling** gas fireplace

Novus is everything you need to provide your family and friends the comfort which has made it the best-selling gas fireplace of all time. The versatile Novus fits into almost any lifestyle and space, where other fireplaces can't. Relax knowing the industry's most recognized brand delivers long-lasting performance, allowing you to make fireside memories for years to come.

Shown on Cover: Novus nXt with Simon front and brick interior panels. Shown above: Novus with Demi front in black and brick interior panels

Novus nXt Features

- Make it your own by customizing the front of your fireplace with different styles and finishes
- Install anywhere with a design that's perfect for corners
- Traditional brick interior panels offer an authentic appearance with remarkable detail
- Richly-detailed logs create the look of a natural fire
- Get heat where you want with the built-in fan
- Adjust flame, heat and ambiance with a remote control
- Available in sizes to meet your needs - 33" or 36" models
- Select from the IntelliFire® app, touchscreen remote control or wireless wall switch for the solution that fits your life

Novus Features

- Make it your own by customizing the front of your fireplace with different styles, finishes and traditional brick interior panels
- Install anywhere with a design that's perfect for corners with multiple venting options
- Adjust flame, heat and ambiance with optional controls
- Available in sizes to meet your needs: 30", 33", 36" or 42" models
- Select from the IntelliFire app, touchscreen remote control or wireless wall switch for the solution that fits your life

Novus Series Options

Fronts

Tres

Demi

Simon (black only)

Finishes

Black

Bronze

Interior Panels

(Standard on Novus nXt; optional for Novus)

Controls

IntelliFire App

All the features of a remote control with an app installed on your smart device. Monitor your fire from anywhere or even control it with the sound of your voice. IntelliFire is compatible with voice assistants Amazon Alexa and Google Assistant.

Touchscreen Remote

Features: on/off, flame height adjustment, fan speed, lights adjustment, thermostat mode, room temperature readout, child lock, timer mode, battery backup, cold climate mode, power vent, wall docking station (fan, lights and power vent are dependent on your fireplace).

Wireless Wall Switch

Features: on/off, battery strength indicator, cold climate mode

Additional Options Not Shown

- Fan kit: extends the heating range of your fireplace (standard on Novus nXt)
- Gas conversion kit: change between using LP or natural gas

Venting

Direct Vent: DVP pipe and SLP pipe

Novus Series Technology

IntelliFire Touch® ignition system

IntelliFire Touch is our most advanced intermittent-pilot ignition (IPI) system, making operating your appliance simple, smart and safe. Select from the IntelliFire app, touchscreen remote or wireless wall switch for the solution that fits your life.

Direct Vent technology

Direct Vent fireplaces remove 100% of combustion exhaust and odors outside of the home. These sealed fireplaces provide optimal heat, conserve energy and ensure clean, safe indoor air quality.

Limited Lifetime Warranty¹

The strongest in the industry, Heatilator provides a limited lifetime warranty on gas-burning products of the most important aspects: firebox and heat exchanger.

¹ For full warranty details go to heatilator.com.

The information provided in this literature is for planning purposes only and subject to change. Please consult the installation manual for actual installation. Actual product appearance may differ from product images.

Fireplace glass and other surfaces get extremely HOT and can cause severe burns if touched. Do not remove the protective safety screen from the front of the glass. Keep a safe distance away. To learn more visit www.heatilator.com/fireplacesafety.
