**Exceptional Value + Dependability**

Why do contractors, architects and homebuyers trust Heatilator? Because we mix value with dependability. Established in 1927, Heatilator has built a long standing reputation for providing quality, dependable hearth products at unbeatable values. Today, Heatilator remains the most preferred, recommended and installed fireplace brand among building professionals.

Limited Lifetime Warranty

The strongest in the industry, Heatilator provides a limited lifetime warranty on gas-burning products of the most important aspects: firebox and heat exchanger.
