Novus Series

Direct Vent Gas Fireplaces

Available IntelliFire® app and voice control
Novus is everything you need to provide your family and friends the comfort which has made it the best-selling gas fireplace of all time. The versatile Novus fits into almost any lifestyle and space, where other fireplaces can’t. Relax knowing the industry’s most recognized brand delivers long-lasting performance, allowing you to make fireside memories for years to come.

#1 best-selling gas fireplace
**Novus nXt Features**

- Make it your own by customizing the front of your fireplace with different styles and finishes
- Install anywhere with a design that’s perfect for corners
- Traditional brick interior panels offer an authentic appearance with remarkable detail
- Richly-detailed logs create the look of a natural fire
- Get heat where you want with the built-in fan
- Adjust flame, heat and ambiance with a remote control
- Available in sizes to meet your needs - 30", 33", 36" or 42" models
- Select from the IntelliFire® app, touchscreen remote control or wireless wall switch for the solution that fits your life

**Novus Features**

- Make it your own by customizing the front of your fireplace with different styles and finishes
- Install anywhere with a design that’s perfect for corners with multiple venting options
- Traditional brick interior panels offer an authentic appearance with remarkable detail
- Richly-detailed logs create the look of a natural fire
- Get heat where you want with the built-in fan
- Adjust flame, heat and ambiance with a remote control
- Available in sizes to meet your needs - 33" or 36" models
- Select from the IntelliFire® app, touchscreen remote control or wireless wall switch for the solution that fits your life

**Novus Series Options**

**Fronts**
- Tres
- Demi
- Simon (black only)

**Finishes**
- Black
- Bronze

**Interior Panels**
- Standard on Novus nXt; optional for Novus

**Controls**

**IntelliFire App**
All the features of a remote control with an app installed on your smart device. Monitor your fire from anywhere or even control it with the sound of your voice. IntelliFire is compatible with voice assistants Amazon Alexa and Google Assistant.

**Touchscreen Remote**
Features: on/off, flame height adjustment, fan speed, lights adjustment, thermostat mode, room temperature readout, child lock, timer mode, battery backup, cold climate mode, power vent, wall docking station (fan, lights and power vent are dependent on your fireplace).

**Wireless Wall Switch**
Features: on/off, battery strength indicator, cold climate mode

**Additional Options Not Shown**
- Fan kit: extends the heating range of your fireplace (standard on Novus nXt)
- Gas conversion kit: change between using LP or natural gas

**Venting**
Direct Vent: DVP pipe and SLP pipe

**Novus Series Technology**

**IntelliFire Touch® ignition system**
IntelliFire Touch is our most advanced intermittent-pilot ignition (IPI) system, making operating your appliance simple, smart and safe. Select from the IntelliFire app, touchscreen remote or wireless wall switch for the solution that fits your life.

**Direct Vent technology**
Direct Vent fireplaces remove 100% of combustion exhaust and odors outside of the home. These sealed fireplaces provide optimal heat, conserve energy and ensure clean, safe indoor air quality.
