Heat Management

Optional Heat-Zone Kit

With zone heating, you can easily reduce your energy consumption by up to 40%, and reduce your utility bill in the process. Using a Heatilator fireplace as a supplemental heating source, you can turn down your central furnace or boiler system and still maintain comfortable temperatures in your common living area.

Product Dimensions

Framing Dimensions

A	B ¹	C ²	D ³
42-1/2" (1080 mm)	24" (610 mm)	56-3/4" (1441 mm)	12" (305 mm)
