Modern Style Made Easy

The Allusion electric fireplace series embraces modern design by combining linear proportions with a multitude of flame and LED ember bed lighting themes. Additionally, intuitive operation is exemplified by the standard remote and touch controls on the fireplace front.

Installation flexibility is nearly endless, offering a solution for areas where gas and venting is not possible. The Allusion can be installed fully or partially recessed into the wall, or hung on the wall for quick enjoyment.

Perfect for the office, bedroom, condominiums or anywhere a gas fireplace can’t go, or when a second or third fireplace option is desired, the Allusion linear recessed fireplace series allows you to experience “Fire Made Simple.”
