

## MEDIA-STONES-36, MEDIA-STONES-42 CERAMIC ROCK MEDIA MODELS: LUX36, LUX42

### - Installation Instructions -

Leave this manual with party responsible for use and operation.

**CAUTION! Risk of Cuts, Abrasions or Flying Debris.**  
Wear protective gloves and safety glasses during installation. Sheet metal edges are sharp.

### Ceramic Rock Media Instructions

The contents of this kit may be used in place of the glass media originally supplied with the LUX36 or LUX42 appliances. **DO NOT** use any other media with this appliance.

1. The LUX36 and LUX42 appliances come with a rock media placement jig installed. Remove jig before placing stones in appliance. Discard jig. See Figure 1.

Figure 1. Remove Rock Media Jig

### ⚠ WARNING

#### Delayed Ignition Risk

- Place ceramic rock media according to instructions.
- Do NOT use any media other than the ceramic rock media supplied with this kit or the glass media originally supplied with the fireplace.

Fireplace will not function properly.  
Delayed ignition may occur.

2. Cover base pan with one layer of ceramic rock as shown in Figure 2 and Figure 3. Place stones of both sizes and all colors on the base pan in a random fashion.
