

## TRITON XL BIRCH LOG SET

### SF-TR-BIRCH

Models: SF-TR50, SF-TR65, SF-TR78

### *Installation Instructions*

#### Introduction

The Triton XL Birch Log Set is hand-painted and offers a true-to-life look.

There is no specific placement requirements for media and logs in SimpliFire Triton appliances. These placement instructions provide general guidance and the pattern can be altered.

The Triton XL Birch Log Set is designed to fit the Triton 78" (SF-TR78), Triton 65" (SF-TR65), and Triton 50" (SF-TR50). Note that some pieces will not be used, and may be discarded, if setup with the Triton 65" or Triton 50".

**CAUTION! Risk of Cuts, Abrasions or Flying Debris.**  
*Wear protective gloves and safety glasses during installation and service. Sheet metal edges are sharp.*

#### Tools and Supplies Needed

Before beginning installation, be sure that the following tools/supplies are available.

- Gloves
- Safety Glasses
- Magnetic Phillips Screwdriver
- Black Glass Embers (included with appliance)

#### Kit Components

Before beginning installation, confirm that all parts are included in the kit (see Figure 1).

- 11 Logs
- 7 Partially Charred Pieces
- 5 Fully Charred Pieces

## Media and Log Setup

1. Remove glass from the appliance. Refer to the Triton Owner's Manual for instructions.

**CAUTION! Two adults recommended for the removal and installation of glass.**

*Use caution when handling glass. Failure to do so could result in personal injury or property damage.*

2. Place the charred pieces across the ember bed. Placing these first allows them to glow from the ember bed lighting.
3. Cover the ember bed with the black glass embers, filling all areas of the ember bed that may be visible.
4. Place the logs as desired. Prop the logs up on the charred pieces and on each other. Alternate their direction to fill the depth of the ember bed (see Figure 2).

**NOTE: Figure 2 shows the Triton XL Birch Log Set arranged on a Triton 78". The number of logs used will vary depending on the appliance. Adjust log placement as desired.**

5. Install glass back into the appliance. Refer to the Triton Owner's Manual for instructions.
